- Help with a family night, game night, talent show
- Provide the children with a healthy snack, produce from your garden, a lesson in cooking, growing, or eating local food.
- Show and Tell: your alternative fuel car, the solar oven you made, herbs from your garden that can be used for healing....what else?
- Make a commitment to come once a week to help with homework, listen to someone read, tutor math or help with science fair projects.
- Help behind the scenes with paperwork, clean up, PR. Participate in a fund raiser or volunteer event.
